- Coverage (per toner if Colour LaserJet printer)
- Cost of the document (ink coverage taken into account)

Authentication: log-in and password (demo version 1111)

The screenshot shows a Microsoft Internet Explorer browser window displaying the HP color LaserJet 9500 web interface. The address bar shows the URL: `http://192.168.0.29/hp/device/this.LCDDispatcher?dispatch=html&cat=0&pos=8`. The page title is "hp color LaserJet 9500 / 192.168.0.29".

The interface includes a navigation menu with tabs for "Information", "Settings", and "Networking". The "Information" tab is active, showing a sidebar with various menu items: Device Status, Configuration Page, Supplies Status, Event Log, Usage Page, Device Information, Control Panel, HP BusinessCard, Accounting TPS, and EuroForm EconoTrack. Below this is an "Other Links" section with links to "hp instant support", "Order Supplies", "Product Support", and "Total Printing Solutions".

The main content area displays a login screen for "TPS CHAI Accounting Solution Demo version". The page includes a welcome message: "Welcome to TPS's CHAI Accounting Solution." and a section titled "Identification ::" with the instruction "Please introduce your login and password." Below this is a form with two input fields: "User" containing "1111" and "Password" containing "****". A "» Ok" button is positioned to the right of the password field. At the bottom of the page, the copyright notice reads: "copyright © Total Printing Solutions, S.L. All rights reserved. www.tps.es".
